

A Bit About Roclith Blankets

The original Roclith was founded in 1975 by Jeanne Hillman. The Hillman family moved from Maryland to Arthur, WV, in the mid-1990's.

Roclith (named after her three sons Roy, Clint, and Thor) became **Roclith Blankets** due to its success with stadium blankets. They have branched out to other customized knitwear and knitting supplies.

Today, **Roclith Blankets** is a thriving small business, with a store in Petersburg and a growing internet presence.
