

We politely ask that all donations be in new or gently used condition because:

- ✓ we have very limited store and storage space so we must be very selective about what we can keep;
- ✓ we have limited time and money to clean and repair donations; and
- ✓ we have to pay to dispose of our garbage and electronics, just like you.

These are items that we cannot accept:

Clothing and shoes

TVs, computers, fax machines, printers, and phones

Outdated reference books, encyclopedias, and text books

Building supplies, including carpet pieces and light fixtures

Used metal curtain rods and blinds

Items that have been operated using fuel

Large appliances and stationary exercise equipment

Used mattresses and bed pillows

Medical equipment

Items that have been recalled for safety violations

Items that are broken, missing parts or do not work

Dirty, stained or mildewed items, or that require mending

Drop Off Wednesday, Thursday, Friday & Saturday 10 am to 8 pm and Sunday 1 pm to 5 pm. If you are not certain about items, please call 304-983-8899 before driving to the Mall.

THANK YOU FOR YOUR SUPPORT !
